NURSERIES AT SPRINGFIELD GARDENS, L. I.
AND AT HIGBIE LANE, BABYLON, L. I.

PRICES in this catalogue cancel all previous quotations and are subject to change without notice. Prices are F. O. B. Nurseries.

STOCK especially selected by patrons will be priced according to value. Prices quoted in this catalogue are for stock of our selection.

TERMS: Cash with order.

PLANTING: Proper planting is as important as good trees and shrubs. We are prepared to do your planting, make planting suggestions or we are willing to co-operate with your Gardener or Landscape Architect.

PLANTING SEASON: Most planting is done during the Spring from the end of March until the middle of June or during the Fall from August until December. However, much planting is done during the Summer months and with marvelous success. We therefore, invite our patrons to come to our Nurseries at any time during the Summer, when the trees and shrubs are in full bloom, make your selection and have the material planted that same day or week in your Garden.

You are always welcome to visit our Nurseries for the personal selection of your requirements, either at Merrick Road, Springfield Gardens, L. I. or Higbie Lane, Babylon, L. I.
